

UNITED STATES DISTRICT COURT

EASTERN DISTRICT OF CALIFORNIA

PAUL PHELPS,

Plaintiff,

v.

PEREZ, *et al.*,

Defendants.

Case No. 1:21-cv-01108-JLT-BAM (PC)

FINDINGS AND RECOMMENDATIONS
REGARDING DISMISSAL OF ACTION FOR
FAILURE TO PROSECUTE AND FAILURE
TO OBEY A COURT ORDER

(ECF No. 33)

FOURTEEN (14) DAY DEADLINE

I. **Background**

Plaintiff Paul Phelps (“Plaintiff”) is a former pretrial detainee proceeding *pro se* and *in forma pauperis* in this civil rights action under 42 U.S.C. § 1983. This action proceeds on Plaintiff’s first amended complaint against: (1) Defendants Townsend and Bettes for excessive force in violation of the Fourteenth Amendment; (2) Defendant Perez for supervisor liability in violation of the Fourteenth Amendment; and (3) Defendant County of Madera for *Monell* liability in violation of the Fourteenth Amendment. This matter was referred to a United States Magistrate Judge pursuant to 28 U.S.C. § 636(b)(1)(B) and Local Rule 302.

On May 2, 2022, the Court issued a writ of habeas corpus ad testificandum directing the production of Plaintiff for a video settlement conference on May 31, 2022. (ECF No. 30.) On May 10, 2022, Defendants submitted a response indicating that the Madera County Jail, where Plaintiff was previously housed, recently released Plaintiff on County Parole and Plaintiff was no

1 longer in custody. (ECF No. 32.) Based on this information, the Court vacated the video
2 settlement conference and the transportation writ for Plaintiff, and issued an order directing
3 Plaintiff to submit a notice of change of address within thirty days. (ECF No. 33.) Plaintiff was
4 warned that failure to comply with the Court's order would result in a recommendation of
5 dismissal of this action, without prejudice, for failure to prosecute and failure to obey a court
6 order. (*Id.* at 2.)

7 On May 18, 2022, the writ of habeas corpus ad testificandum was returned as
8 "Undeliverable, RTS, Not in Custody." On May 25, 2022, the Court's order directing Plaintiff to
9 update his address was returned as "Undeliverable, Not in Custody."

10 The deadline for Plaintiff to respond to the Court's order has now expired, and Plaintiff
11 has not filed a notice of change of address or otherwise communicated with the Court.¹

12 **II. Failure to Prosecute and Failure to Obey a Court Order**

13 **A. Legal Standard**

14 Local Rule 110 provides that "[f]ailure . . . of a party to comply with these Rules or with
15 any order of the Court may be grounds for imposition by the Court of any and all sanctions . . .
16 within the inherent power of the Court." District courts have the inherent power to control their
17 dockets and "[i]n the exercise of that power they may impose sanctions including, where
18 appropriate, . . . dismissal." *Thompson v. Hous. Auth.*, 782 F.2d 829, 831 (9th Cir. 1986). A
19 court may dismiss an action, with prejudice, based on a party's failure to prosecute an action,
20 failure to obey a court order, or failure to comply with local rules. *See, e.g., Ghazali v. Moran*, 46
21 F.3d 52, 53–54 (9th Cir. 1995) (dismissal for noncompliance with local rule); *Ferdik v. Bonzelet*,
22 963 F.2d 1258, 1260–61 (9th Cir. 1992) (dismissal for failure to comply with an order requiring
23 amendment of complaint); *Malone v. U.S. Postal Serv.*, 833 F.2d 128, 130–33 (9th Cir. 1987)
24 (dismissal for failure to comply with court order).

25 ///

26 _____
27 ¹ On June 20, 2022, Defendants filed a motion for involuntary dismissal pursuant to Federal Rule of Civil Procedure
28 41. (ECF No. 34.) It does not appear that the motion was served on Plaintiff at his last known address, as required
by the Court's Local Rules or the Federal Rules of Civil Procedure. *See* Local Rule 135(b); Fed. R. Civ. P.
5(b)(2)(C). Therefore, the Court declines to address the motion in the instant findings and recommendations.

1 In determining whether to dismiss an action, the Court must consider several factors:
2 (1) the public's interest in expeditious resolution of litigation; (2) the Court's need to manage its
3 docket; (3) the risk of prejudice to the defendants; (4) the public policy favoring disposition of
4 cases on their merits; and (5) the availability of less drastic sanctions. *Henderson v. Duncan*, 779
5 F.2d 1421, 1423 (9th Cir. 1986); *Carey v. King*, 856 F.2d 1439, 1440 (9th Cir. 1988).

6 **B. Discussion**

7 Here, Plaintiff's response to the Court's May 13, 2022 order is overdue and he has failed
8 to comply with the Court's order. The Court cannot effectively manage its docket if Plaintiff
9 ceases litigating his case. Thus, the Court finds that both the first and second factors weigh in
10 favor of dismissal.

11 The third factor, risk of prejudice to defendant, also weighs in favor of dismissal, since a
12 presumption of injury arises from the occurrence of unreasonable delay in prosecuting an action.
13 *Anderson v. Air W.*, 542 F.2d 522, 524 (9th Cir. 1976). The fourth factor usually weighs against
14 dismissal because public policy favors disposition on the merits. *Pagtalunan v. Galaza*, 291 F.3d
15 639, 643 (9th Cir. 2002). However, "this factor lends little support to a party whose
16 responsibility it is to move a case toward disposition on the merits but whose conduct impedes
17 progress in that direction," which is the case here. *In re Phenylpropanolamine (PPA) Products*
18 *Liability Litigation*, 460 F.3d 1217, 1228 (9th Cir. 2006) (citation omitted).

19 Finally, the Court's warning to a party that failure to obey the court's order will result in
20 dismissal satisfies the "considerations of the alternatives" requirement. *Ferdik*, 963 F.2d at 1262;
21 *Malone*, 833 at 132–33; *Henderson*, 779 F.2d at 1424. Plaintiff was warned in the new case
22 documents issued on July 23, 2021 that he must keep the Court and opposing parties informed of
23 his correct current address, and if a party moves to a different address without filing and serving a
24 notice of change of address, documents served at the old address of record shall be deemed
25 received even if not actually received. (ECF No. 3, p. 5.) Further, the Court's May 13, 2022
26 order expressly warned Plaintiff that his failure to comply with the Court's order would result in a
27 recommendation of dismissal of this action, without prejudice, for failure to obey a court order
28 and for failure to prosecute. (ECF No. 33, p. 2.) Thus, Plaintiff had adequate warning that

1 dismissal could result from his noncompliance.

2 Additionally, at this stage in the proceedings there is little available to the Court that
3 would constitute a satisfactory lesser sanction while protecting the Court from further
4 unnecessary expenditure of its scarce resources. Plaintiff is proceeding *in forma pauperis* in this
5 action, making monetary sanctions of little use, and the preclusion of evidence or witnesses is
6 likely to have no effect given that Plaintiff has ceased litigating his case and updating his address.

7 **III. Recommendation**

8 Accordingly, the Court finds that dismissal is the appropriate sanction and HEREBY
9 RECOMMENDS that this action be dismissed, without prejudice, for failure to obey a Court
10 order and for Plaintiff's failure to prosecute this action.

11 These Findings and Recommendation will be submitted to the United States District Judge
12 assigned to the case, pursuant to the provisions of Title 28 U.S.C. § 636(b)(1). Within **fourteen**
13 (**14**) **days** after being served with these Findings and Recommendation, Plaintiff may file written
14 objections with the Court. The document should be captioned "Objections to Magistrate Judge's
15 Findings and Recommendation." Plaintiff is advised that failure to file objections within the
16 specified time may result in the waiver of the "right to challenge the magistrate's factual
17 findings" on appeal. *Wilkerson v. Wheeler*, 772 F.3d 834, 839 (9th Cir. 2014) (citing *Baxter v.*
18 *Sullivan*, 923 F.2d 1391, 1394 (9th Cir. 1991)).

19
20 IT IS SO ORDERED.

21 Dated: June 30, 2022
